

UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF CALIFORNIA

In re

ALPHONSE SILVESTRI,

No. 16-10378

Debtor(s).

Memorandum

The Clerk's notes entered on the docket after the hearing in this matter on September 16, 2016, are in error. As the audio recording of the hearing makes clear, the court did not order that the motion before the court was "granted in full" or specify a date by which an objection to discharge must be filed. The court merely stated that it felt that the U.S. Trustee should have the full amount of time she wanted rather than set some sort of compromise date. The court's personal notes, made at the time of the hearing, reflect that the motion was "granted." The order the court signed on September 23 (drafted by the U.S. Trustee and approved by counsel for the Debtor and counsel for the Department of Labor) is consistent with the court's decision. If it is mistaken, the mistake was not the court's.
